Remember how you heard location is everything? This one is half a block walk to the river valley. A few steps and you're at the start of THE Ada Boulevard. This isn't just a home purchase, this is a lifestyle upgrade. You can tell from the photos that this house is looking really good. That big window in the front lets in a ton of natural light and just makes the space feel even more spacious. You also get a big west facing backyard. That means tons of afternoon sun all year long. Not to mention how huge the yard is. It's a great space to be outside and enjoy. As a legally suited house, you'll appreciate the added features. Separate in suite laundry for both. Dishwasher in both. And the lower suite is so well laid out you'll have a line up of people wanting to rent.
